YOU ARE CONSIDERED HOMELESS IF:

- Your primary nighttime residence is a place not designed to be a regular sleeping accommodation (like a car, the park, the bus station, an abandoned building, etc.), OR
- You are living in an Emergency Shelter or a Transitional Housing program, OR
- You will lose your primary nighttime residence (for example, if you're being evicted) within the next 14 days and you have no other place to live and no resources (like family, friends, church, etc.) to help you obtain permanent housing, OR
- You are fleeing a domestic situation and have no other place to live and no resources (like family, friends, church, etc.) to help you obtain permanent housing.

If you are currently fleeing domestic violence, please call the domestic violence hotline at (863) 413-2700.
